

September 5, 2014

Dear Mr Attila Galambos,

Allow me to wholeheartedly thank you for your support to commemorate Mother Teresa and the second observance of the International Day of Charity, proclaimed by the United Nations General Assembly at the initiative of the Permanent Mission of Hungary. The date of 5 September was chosen in order to commemorate the anniversary of the passing away of Mother Teresa, the daughter and honor of Albanian nation.

Albanian gave to the world a great woman and humanist like Mother Teresa, who best represented the Albanian human values and our tradition and culture. But it's an immense joy to commemorate Mother Teresa and the International Day of Charity on different countries around the world. Commemorating Her in Hungary makes us go back and remind one of her most powerful quotes: "By blood I am Albanian. By citizenship, an Indian. By faith, I am a Catholic nun. As to my calling, I belong to the world." She belonged to the world. By unveiling the statue and organizing the charity concert made us feel so humbled and honored.

I cannot forget your personal support and your contribution given on the organizing of the second International Day of Charity, held in Budapest and I would like to say thank you to you that do your part to make the world a better place!

Sincerely

Mira Hoxha

Ambassador of the Republic of Albania

Budapest
